CALL FOR PARTICIPATION

“everything is landscape”

INTRODUCTION

The cultural association "architect Simonetta Bastelli" aims to promote the culture of qualified landscape and the landscape in the collective commons, with a particular attention to the new generations, in an appropriate relationship between architecture and nature. For these reasons, the municipality of San Venanzo organizes the prize Simonetta Bastelli to be assigned to the best projects that enhance the relationship between architecture and nature in urban open spaces.

The award comprises includes four sections: professionals, young, dissertations and students.

The aim of the contest, also in regard to Article 6 of the European Convention, is to "increase awareness among the civil society, private organizations, and public authorities of the value of landscapes, their role and changes to them" and to contribute to the "training and education" through proper and appropriate design methodology. As a prerequisite, the prize's intent is to contribute to the training of professionals with a methodological approach focused on the quality of the landscape, reserving particular attention to younger generations, so as to promote issues concerning the quality of the landscape. An international jury will choose the best project for each session. All the submitted projects will be set up in an exhibition at the Palazzo Faina, the town hall of San Venanzo.
