

# 4 Days for Design People

## What?

3.5 weeks of intensive design work to produce a future relevant architectural design proposal, developing lots of additional skills, knowledge and connections.

## Who?

For Bachelor & Master Architecture students & young graduates, meeting likeminded people from all over the world, personally supported by experienced tutors and gmp partners, with guest lectures by renowned architects.

## Where?

In Hamburg at the aac Academy for Architectural Culture (founded by gmp architects) with spectacular views over the port of Hamburg.

## Costs?

A scholarship is available for all candidates to cover the tuition fees for the course incl. all working material. Free accommodation in Hamburg for the workshop period is also offered.

## When?

Within the academic breaks in spring and autumn of every year.
